

REVALÉSKIN® ANTI-AGING SKINCARE

Exceptionally rich in botanical antioxidants
to help improve the appearance of existing
skin damage and prevent future damage

Made with *CoffeeBerry*®*
Whole Fruit Extract

One of nature's most potent antioxidants

revaléskin®
part nature. part science. all beauty.

THE REVALÉSKIN® SYSTEM
CLINICALLY PROVEN PROTECTION AGAINST
FREE RADICALS, THE #1 CAUSE
OF PREMATURE SKIN AGING

What is oxidative stress?

As we age, the concentration of natural antioxidants in our body declines and free radical concentration increases.

As the skin's cellular repair mechanisms begin to fail, our natural defenses are overwhelmed.

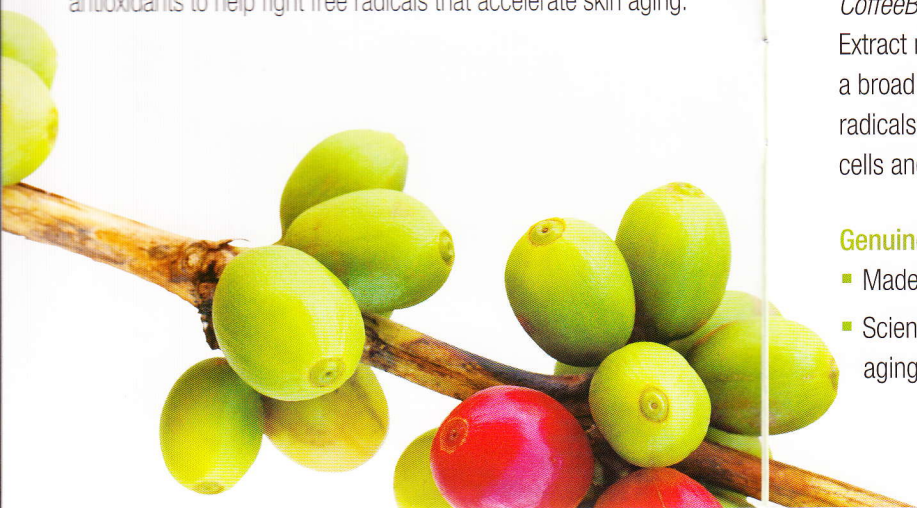

As a result, damage accumulates in skin cells every day. To help repair existing damage and help prevent future signs of skin aging, apply REVALÉSKIN® antioxidant products daily for younger-looking skin.

Replenish your skin's essential antioxidants

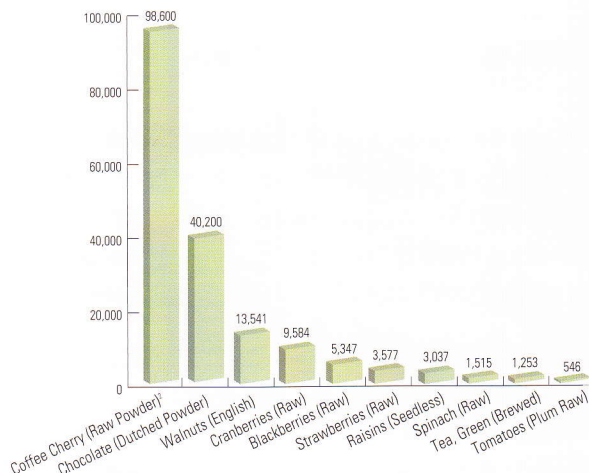

CoffeeBerry® Whole Fruit Extract has more than 3 times higher antioxidant levels than green tea.¹⁻⁴

Scientific tests show *CoffeeBerry*® Whole Fruit Extract is significantly more potent than pomegranate and Vitamins C and E.¹⁻⁴

Daily use of REVALÉSKIN® can augment your body's natural antioxidants to help fight free radicals that accelerate skin aging.

Naturally effective botanical antioxidants

CoffeeBerry® Whole Fruit Extract contains a natural blend of plant-based polyphenol antioxidants.

Why is this important?

CoffeeBerry® Whole Fruit Extract naturally neutralizes a broad spectrum of free radicals that can damage skin cells and degrade skin's DNA.

Free radicals
form naturally and continuously as a result of internal and external environmental oxidative stress

Topical Antioxidants
scavenge free radicals to help protect against premature skin aging

Genuine *CoffeeBerry*® Whole Fruit Extract is:

- Made from the whole coffee fruit²
- Scientifically validated for superior antioxidant and anti-aging properties

REVALÉSKIN® HELPS REJUVENATE AND
RESTORE THE APPEARANCE
OF DAMAGED SKIN

Minimize the Appearance of Fine Lines and Wrinkles

The daily use of REVALÉSKIN® evens skin tone appearance and smoothes the texture of the skin. REVALÉSKIN® replenishing HydraLift Complex helps revitalize the skin all day long. REVALÉSKIN® soothing Night Cream helps rejuvenate your skin while you sleep

Safe and Gentle to Use Every Day

- Non-comedogenic (will not clog pores)
- Safe for all skin types, even extremely fair skin
- Dermatologist tested
- Non-allergenic
- Oil free
